

FLASCA WEEKLY NEWSLETTER

Term 2, Week 2: 27th of April – 1st of May

Hi Families,

Welcome back to Week 2 of Term 2 at FLASCA! This week, children continued to settle into the new term with lots of energy and enthusiasm as they engaged in a variety of fun and meaningful experiences across the program. We focused on building positive friendships, teamwork, and confidence through a mix of indoor and outdoor activities that supported creativity, movement, and problem-solving. It has been wonderful to see the children participate with such excitement and curiosity as they continue developing their social and learning skills in a safe and supportive environment. As the weather is still sunny, a hat and a water bottle must be brought to FLASCA every day! Sunscreen will be applied at each hourly headcount.

Next Week's Menu

Monday: Spaghetti
Bolognese

Tuesday: Yogurt Bowls

Wednesday: Honey soy
Chicken & Rice

Thursday: Pizza Scrolls

Friday: Sausage Sizzle

Vegetarian, GF and DF
options available

CHILDREN'S COMMENTS

"I won in musical chairs"

"I loved the pasta this week, let's do it
again!"

PROGRAM

This week at FLASCA, children participated in a range of indoor and outdoor activities that encouraged creativity, teamwork, communication, and physical development. Highlights included the LEGO Challenge: Build a Bridge, where children collaborated to problem-solve and test their designs, and STEM Club: DIY Ship, which explored experimentation and simple engineering concepts. Stop Motion Club supported creativity and storytelling, while the Children's Council Meeting gave children the opportunity to share ideas and contribute to program decisions. Across the week, children also enjoyed Group Games, Literature Club, and a variety of sports including Soccer, AFL, Cricket, Basketball, Gymnastics, One Bounce, and Musical Chairs, building coordination, resilience, and teamwork. In Cooking Club, children made Energy Chocolate Bars, practising following instructions and working together safely.

FEEDBACK/UPDATE

Please give a warm welcome to our new coordinator Bronwyn! She will be on site every day, forming connections with families and here to assist with any enquiries you may have.

Due to NSW child safety regulations, personal technology (phones, tablets, smart devices) is not permitted for students or parents to use at FLASCA.

Friendly reminder that once children have been signed out of FLASCA, they need to leave the school grounds with their parent or carer. This helps us ensure all children on site remain properly supervised. Thank you for your support and understanding.

This term, FLASCA is launching a new extracurricular program! On Wednesday afternoons, a visiting soccer team will be coming to the centre to teach a range of soccer skills and friendly competitive games with the children. There will be two session times available: 3:30-4:00pm and 4:00-4:30pm. If you would like your child to take part, please email FLASCA to register your interest.

If your child is attending an extra-curricular activity, please make sure to sign the EC authorisation form for FLASCA. This will be renewed every term.
