

FLASCA WEEKLY NEWSLETTER

Term 2, Week 5: 18th of May – 22nd of May

Hi Families,

As the weather started getting colder, Week 5 at FLASCA was filled with warm, fun, and engaging experiences for the children to enjoy together. Throughout the week, the children participated in a range of creative indoor activities, group games, STEM experiences, and outdoor play whenever the weather allowed. The week encouraged teamwork, creativity, problem-solving, and social connection, while also giving children opportunities to relax, have fun, and make lasting memories with their peers and educators.

Next Week's Menu

Monday: Kebabs & Pita Bread

Tuesday: Honey Soy Chicken & Rice

Wednesday: Yogurt Bowls

Thursday: Sushi Bowls

Friday: Pizza

Vegetarian, GF and DF options available

CHILDREN'S COMMENTS

"The soccer people on Wednesday were so fun, I liked learning new tricks!"

"Making my own Pokémon card was the best because mine had 5000 HP."

PROGRAM

The children enjoyed another exciting and engaging week at FLASCA filled with creative, active, and hands-on experiences. Throughout the week, the children designed their own Pokémon cards, participated in LEGO and STEM challenges, explored literacy activities, and enjoyed cooking chocolate cupcakes, helping to build creativity, problem-solving, fine motor skills, and confidence. Outdoor games such as soccer matches, basketball, handball, dancing, and base building encouraged teamwork, communication, resilience, and physical development. On Wednesday, the children were especially excited to take part in a special centre visit from a soccer crew, where they developed new sporting skills, practiced cooperation, and built confidence through fun soccer-based activities. The week also provided opportunities for children to share their ideas through Children's Council and Children's Choice experiences, supporting independence, decision-making, and positive social connections.

FEEDBACK/UPDATES

As the weather is becoming cooler but the UV levels can still be high, we kindly ask families to ensure children bring a sun safe hat to FLASCA each day. Hats are important for outdoor play and activities.

We would also like to remind families that mobile phones and smartwatches are not to be used while attending FLASCA and must remain in children's bags during the session. If you need to contact your child during program hours, please contact the FLASCA phone directly and an educator will assist.

Our July Vacation Care Program has now been released, with bookings opening at 3:00pm today. We encourage families to book in early to secure spots for their children, as places can fill quickly.

Lastly, please ensure that all children are signed out correctly at the sign in/sign out desk when collecting them each afternoon. This helps us maintain accurate attendance records and ensures the safety of all children in our care.
