FLASCA WEEKLY NEWSLETTER

Term 4, Week 1: 12th – 16th of October

Hi Families, welcome back to Term 4! This week we've been settling back into our routines and reconnecting with our friends after a refreshing Spring Holidays. Our activities this week focused on working together and building our tolerance for turn taking. We make sure to leave plenty of time and resources for children to lead the way on what activities they would like to do. This week the kids loved designing beaded bracelets for their friends, making slime and playing basketball. Educators love to help kids have the kind of arvo they want to have - especially with some slam-dunks on the way!

PROGRAM

Tuesday: We got creative indoors, making adorable animals out of felt and paper while sharing a little more about ourselves through our 'All About Me' sheets. Outside, children enjoyed some friendly competition with Wall Ball and foosball, building teamwork and coordination along the way. **Wednesday:** Our little artists explored their creativity with watercolour paintings and colourful paper spinners. Outside, children shared their ideas and had their voices heard at our Children's Council Meeting before taking on the educators in an exciting game of soccer. **Thursday:** Squishy madness took over the room as children made their own mini DIY squishies! Our LEGO lovers also put their imagination and problem-solving skills to the test with a spooky haunted house challenge. Despite the rainy weather, we kept active with some competitive handball under the COLA. **Friday:** We celebrated World Food Day with some fun sushi paper crafts, exploring different foods and cultures through creativity! Cooking Club continued the food theme by whipping up some delicious Hawaiian pizzas, developing their cooking skills and independence. Outside, children practised their coordination with Balloon Toss, while some hilarious games of Pictionary had everyone putting their communication and creative thinking skills to the test!
