

FLASCA WEEKLY NEWSLETTER

Term 3, Week 8: 7th – 11th of September

Hi Families, we've had a wonderful week full of laughs, friendship and adventure! The kids have really showed their incredible creativity this week—we've been very impressed with the paintings, drawings and sculptures that the kids have been making. It's always fun to help them realise a creative vision. We're also loving a bit of healthy competition in games like Rob the Nest, Foosball and the classic Sandcastle Competition. FLASCA has started a puzzle this week so expect to see it coming together very, very slowly in the room. P. S. We really believe FLASCA kids are a special bunch!

PROGRAM

Monday: saw children enjoying imaginative dress-ups, testing their problem-solving skills in STEM Club with Sink the Foil Boat, and working together to build bases outside. **Tuesday:** brought an exciting LEGO Jurassic World challenge, Hama Beads, clay pot painting in Gardening Club and a friendly game of AFL with educators, supporting creativity, fine motor skills and teamwork. **Wednesday:** was another energetic Sports Bootcamp session, alongside DIY bookmarks and our Children's Council Meeting, where children could share their ideas and have a voice in the program. **Thursday:** we recognised R U OK? Day by creating themed bunting and contributing to our FLASCA Gratitude Wall, encouraging kindness, connection and emotional wellbeing, before getting creative in our sandcastle competition and a bit of face-painting on the grass. **Friday:** wrapped up the week with plenty of laughs during our Try-Not-To-Laugh Challenge, cheesy veggie bites in Cooking Club, another fantastic Stop Motion film and a cute dolphin notebook craft. It was a great week of creativity, friendship, communication, problem-solving and active play!
