FLASCA WEEKLY NEWSLETTER

Term 3, Week 10: 21st – 25th of September

Hi Families, happy last week of Term 3! We've really felt the excitement for the school holidays this week. There were lots of great activities to keep us busy and a bit of rainy weather drove us inside to watch some of our favourite shows and play games on the screen together. Some of our favourite things to do this week were Uno, finding roly-polies, hide-n-seek, playing pool and foosball. We look forward to seeing your kids enjoying FLASCA's Spring Vacation Care or seeing them again in Term 4. Thank you for a wonderful term families. Have a safe and happy holidays!

PROGRAM

Monday: We eased into the week with Reading Corner, Hama Beads and some fun TV games including Contexto and Little Alchemy, encouraging literacy, creativity and problem-solving skills. **Tuesday:** Children got active with Dodgeball, Yoga and Gymnastics, developing coordination, balance and teamwork, while painting provided a chance to slow down and get creative. **Wednesday:** For International Day of Sign Languages, children learnt some basic sign language, building communication skills and awareness of different ways people communicate. We also shared our ideas at the Children's Council Meeting, continued our Sports Bootcamp training and battled it out in a fierce Handball Tournament! **Thursday:** STEM Club experimented with making Oobleck, encouraging curiosity and hands-on scientific thinking. Outside, children worked on teamwork and sportsmanship during an Educators vs Children Soccer Match. **Friday:** We celebrated our last day of school with Stop-Motion Club creating an 'End of Term' documentary, giving children a chance to reflect on and capture their FLASCA experiences. We also made loom bands, enjoyed the Foosball table, and Cooking Club finished the term with colourful Funfetti Cupcakes!
