

FLASCA WEEKLY NEWSLETTER

Term 3, Week 7: 31st of August – 4th of September

Hi Families, we had an action-packed week full of fun games, activities and laughs. This week our clubs, including Gardening Club, Stop Motion Club, and Cooking Club were very successful and led to lots of fantastic creations from the kids. We enjoyed lots of outside time as we welcomed in the warm change and had lots of fun playing with our friends. Loom bands are ever the smash hit—we've loved seeing the impressively long and colourful brackets, necklaces and headbands the kids are making for themselves and their friends.

Next Week's Menu

Monday: Pizza Scrolls

Tuesday: Tacos

Wednesday: Yogurt
Bowls

Thursday: Chicken
Katsu Curry

Friday: Sausage Sizzle

Vegetarian, GF and
DF options available

PROGRAM

Monday: Children experimented with Tanzanian fabric painting, designed colourful loom bands and worked together in base-building. **Tuesday:** Gardening Club created clay plant pots while children built kicking skills in penalty shootouts on the grass. Indoors, Hama bead creations and a board game tournament supported strategic thinking, resilience and positive social interactions. **Wednesday:** Another fantastic session of Sports Bootcamp kept children active while the sandcastle competition encouraged collaboration and creative thinking, while pipe cleaner bubble wands inspired imaginative play. During the Children's Council Meeting, children shared their ideas and opinions, helping to strengthen leadership, communication and decision-making skills. **Thursday:** Children built marble mazes during our LEGO Challenge. Outside, dodgeball and the Educators vs Kids basketball game promoted teamwork and sportsmanship. **Friday:** Children reflected on their family histories by creating family tree crafts. Stop Motion Club worked together to animate a whiteboard film and Cooking Club prepared a delicious caramel slice before finishing the week with a fun game of musical chairs that promoted listening skills, coordination and lots of laughter.

FEEDBACK/UPDATES

Vacation Care: Bookings have opened for Spring Vacation Care. Start planning ahead and getting your bookings in now.

Sun Safety: All children must be wearing hats during outside play as part of our sun-safe policy. Make sure you pack a hat for your child. While FLASCA does have access to a water station, please also ensure your child has a water bottle in their bag.

Child-safe training: FLASCA educators had a refresher course on child safe practices this week from the Office of the Children's Guardian. We are making some changes around FLASCA to communicate to children their rights, and our value for their safety and wellbeing.

CHILDREN'S COMMENTS

"I'm going to make the longest loom band rope in all of FLASCA history!"
