Term 3, Week 1: 21st of July – 24th of July

Hi Families,

Week 1 of Term 3 was a wonderful start to the new term at FLASCA! After an exciting Winter Vacation Care period, it was great to welcome the children back and see them reconnect with their friends, educators and the FLASCA environment. The children settled back into their routines, enjoyed spending time together and participated in a range of fun activities that encouraged creativity, teamwork and positive social connections. It was fantastic to see everyone return with smiles, energy and excitement for another term of learning, play and memorable experiences.

PROGRAM

This week at FLASCA was filled with creativity, teamwork and exciting opportunities for children to explore new skills. On Tuesday, children celebrated NAIDOC Week through kangaroo dot painting, recognising Aboriginal culture and storytelling, before taking part in a limbo competition and handball tournament that encouraged confidence, coordination and sportsmanship. Wednesday included a DIY paper chess board activity, the Children's Council meeting and an AFL game between educators and children, promoting creativity, leadership, teamwork and positive relationships. On Thursday, children reflected on their holidays through storyboard creations, challenged their imagination with a LEGO spaceship building competition and participated in FLASCA World Cup Soccer Day and Tie Dye, developing problem-solving, collaboration and physical skills. Friday featured Cooking Club with rainbow chocolate chip cookies, a phase of the moon craft, Just Dance and Pacman, providing opportunities for creativity, science exploration, movement and social connection.
